Blessings and Seasons Greetings to all !

Dearly beloved,

The Sahodharan Project, which was started in memory of our predecessor H.H. Baselios Marthoma Paulose II of blessed memory in February 2022 for the welfare of poor and needy people has been functioning well for the last three years. During the last three years, financial support amounting more than Rs. 17,00,00,000/- (Rupees Seventeen crores) have been distributed among people belonging to all sects of the society irrespective of caste or creed discrimination for various needs under the Sahodharan project; viz., House Construction, Medical Aid, Educational Aid, Marriage Aid, and other special assistance. We thank everyone who supported this project. Almost all parishes of our Church have received support under this project on the basis of their applications.

The number of applications requesting support has been increasing considerably from individuals and parishes inside and outside Kerala alike. Hence, we wish the cooperation and support of everyone from our Churches for this project. We request every single parish under our Church to earmark a certain amount in their annual budget to support the Sahodharan project, while you allocate the amount for charitable activities of your parish. We recollect with great happiness that contributions received from individuals and parishes in past times have helped to wipe out the tears of many.

As we celebrate the 3rd Anniversary of Sahodharan Project, we would like to launch a project to support the marriage of 100 girls by giving rupees one lakh each. We exhort everyone that it is our duty and obligation to help our brethren in need and hope everyone will continue with conviction to support and pray for the project.

May God bless all abundantly,

Baselios Marthoma Mathews III

Director's Note

Where is Abel, your brother (Gen: 4:9)

This is an important question asked by God to Cain about his brother Abel. This question of God reflects our paramount duty towards our brothers. One of the fundamental principles of Christianity is to love and take care of our brothers and sisters. The scripture teaches us that one who does not love his brother who is visible cannot love a God who is invisible. The Sahodharan project, a true reflection of God's love, initiated by His Holiness Baselios Marthoma Mathews III successfully completes its 3 year. This is a philanthropic project started by His Holiness on his being enthroned as the Catholicos of the Church to perpetuate the memory of His Holiness Baselios Marthoma Paulose II, his predecessor. during these three years, nearly Rs. 17 crores have been distributed to thousands of distressed people irrespective of their religious and caste affiliations through this project in the form of Medical treatment Assistance, Educational Assistance, Marriage Assistance, and House Building Assistance and other special Assistance.

Through this project, many homeless who have no land or house of their own got a beautiful and small house to sleep comfortably. Further, we could save many who were in the brink of suicide on account of huge financial debts. A Palliative Care Centre also functions in association with Paret Mar Ivanios hospital under this project.

The main source of income for the Sahodharan Project is the boundless financial support of our faithful and the donations received by His Holiness Bava Thirumeni. The number of people with different needs approaching at our sahodharan office increases day by day. Though we are unable to help all, we try to help maximum people. His Holiness envisions to give financial help to the needy irrespective of caste — religious — considerations. We recollect with gratitude that a sizable amount was collected and donated to the Project by our Marth Mariam Vanitha Samajam. If we set apart a portion of our income and gladly donate to the project, we can help many who are distressed and live a miserable life. Once again we gratefully remember those who graciously contributed to and worked with the project so as to strengthen the helping hands of our Holy father the Catholicose.

Let us join the project so as to become the salt of the earth to relish who are stranded in various challenging life situations.

May God bless you all

Fr. Yacob Ramban

(Director, Sahodharan Project)

The Sahodharan Project, a philanthropic movement initiated by His Holiness Baselios Marthoma Matthews III, Catholicos of the East and Malankara Metropolitan, is a tribute to the late His Holiness Baselios Marthoma Paulose II, Catholicos. This mission has become a beacon of hope for countless underprivileged individuals, regardless of caste or religion. It has provided relief to the poor, the sick, the homeless, the educationally disadvantaged, and those facing financial barriers to marriage.

Over the past two years, the Sahodharan Project has been a source of comfort for many people facing challenges, including those with disabilities. The project's core objective is to fulfill its responsibility by viewing all people as brothers and sisters, united in the mission of sharing Christ's love.

Shri. P. S. Sridharan Pillai, the Governor of Goa, inaugurated the Sahodharan Project. The project encompasses various service areas, including housing, marriage, education, medical treatment (for cancer, kidney, heart, stroke, and mental health), support for the differently-abled and physically challenged, care for senior citizens, and pensions for unorganized workers.

With the unwavering support of the holy church members, the Sahodharan Project has disbursed 17 crore rupees to the poor and needy in the last three years. This includes:

The project operates under a set of rules outlined in the Rules of Administration of the Sahodharan Project. A committee, chaired by His Holiness the Catholicos, oversees the project's activities. The committee includes the Holy Episcopal Synod Secretary, Church office bearers, elected representatives, and financial promoters from India and abroad. Coordinators appointed by His Holiness also play a crucial role.

The project's accounts are audited by Chartered Accountants and published in the E Schedule. The Malankara Sabha magazine regularly pub-

lishes a list of contributors and monthly updates on the assistance provided.

The Sahodharan Project has established various membership categories: Diamond, Platinum, Gold, Silver, Bronze, and Friend of Sahodharan. To date, 33 Diamond members, 119 Gold members, 149 Silver members, 297 Bronze members, 33 Platinum members, and 262 Friends of Sahodharan have contributed to the project's mission.

A significant achievement of the Sahodharan Project is the construction of 10 houses (Souhridham Housing Project) for families without homes on land donated by Jacob Skaria, a church member from Kottayam.

In collaboration with Paret Mar Ivanios Hospital Puthupally, the Sahodharan Project has launched a palliative care program in Kottayam district. This program was inaugurated by Sri V. N. Vasavan, Minister of Cooperation, Ports, and Dewasom Board, Government of Kerala, on October 13, 2024, during World Hospice & Palliative Care Day.

The Sahodharan Project seeks the continued support and cooperation of well-wishers to further its mission of helping those in need.
